Pick Citizens Of Year At Orland Park

At their annual meeting the night of Feb. 24 in the Silver Lake golf club, members of the Orland Park Chamber of Commerce will honor two men as Citizens of the year—Fred Yunker, of Orland township, and Arthur R. Granat of the village of Orland Park.

Out of the many persons considered for the honor, it was explained by those in charge, Mr. Yunker was chosen for his many years of devoted service to the welfare of the people of Orland township and Mr. Granat was selected because of his untiring efforts to transform a dream of a new fire house into a reality. He has been the "sparkplug" of the drive to finance the building and has spent many hours in helping with the actual construction.

Both men are well known in the community. Mr. Yunker is a native of the area. He was born in Orland township on the same farm where he and his wife reside and is widely known in Will and Cook counties as a former business man

and public servant.

While he spent most of his early years farming there was a period from 1911 to 1921 when he was a rural mail carrier. He had his first taste of politics in the 1920's when he served as tax collector for the township. He held the post seven years.

In 1923 he started the Yunker Implement company, a business now operated by two of his sons. In 1936 he was named supervisor of Orland township and has held the position ever since.

As supervisor he is in charge of all the finances of town government and acts as treasurer for all funds received. As supervisor he also administers the relief funds of the township.

With his sons he operated a large farm for many years and was a member of the Pure Milk Association board.

In 1916 Mr. Yunker married Augusta Schult. They have four sons and two daughters, Arrian, of Mokena; Erwin, of Lockport; Nor-

man, of Peotone; Donald of Orland Park; Mrs. Dorothy Hentch, of Mokena and Mrs. Marjorie Schilling, of Homewood.

Mr. and Mrs. Yunker are members of St. John's United Church of Christ, Mokena, where he is treasurer of the cemetery board.

The Citizen of the Year for Orland Park, Mr. Granat, was born at Chicago 34 years ago. He lived in Orland Park for about two years, when he was six and seven years old. Then his parents moved back to Chicago where he attended school and was graduated from Gage Park high in 1941. Two years later he was in the U. S. Navy, serving much of his time during the war on destroyers in convoy duty on the Atlantic.

In the meantime his folks moved back to Orland Park and when Arthur was discharged in 1946 he came there too. He was married in December of that year to Lois Rauch, of Orland Park, and they now have two children, Marie, 11 and Arthur, 7. They reside at 9887

W. 145th st. Mr. Granat is a carpenter foreman for Braun & Aldridge, the builders of Orland Park Hills.

Shortly after coming to Orland Park Mr. Granat joined the volunteer fire department there. That was in July, 1946. He has been an officer in the department for the past seven years and since May, 1957, has served as chief. He also is a member of American Legion post, No. 526, Orland Park.

For many years the fire department of Orland Park, which incidentally serves the Orland area as well as the village, (including some sections in Will county) had its sights set on a new building to house its equipment. In December, 1958, interest had been built up to quite a pitch and in March of last year a delegation headed by Granat approached the village board with plans for a new station.

The trustees—the village board has jurisdiction over the fire equipment—gave approval to the plans and on April 30, 1959. With the

aid of the Orland Park Chamber of Commerce, a drive was launched by the department to raise the money for the project. The response was excellent and while there are still some persons to be solicited for funds or pledges, enough money was collected to get the building under way.

Many of the firemen are donating time and effort to the building. It is estimated the building can be completed in another six months at a total cost of \$18,000 to \$20,000. If the project had been let out as a contract, according to those familiar with the plans, the cost would be double.

The department has another dream—two more pieces of equipment, a 1,000 gallon pumper and an emergency truck, but fulfillment of that will have to wait for a time, the members agree. They point out that the greater the growth the greater the need for more equipment and—they added—Orland Park is growing steadily.

Builders Announce Plans For Orland Development

Plans for a new \$7-million residential development in Orland Park have been revealed by Richard Tucker and David Saul Klafner, principals in the building firm, Orland Park Associates.

Plans for the project have been filed with the Orland Park plan commission but no action has been reported by that body to the village board to date.

The proposed development is to be known as Orland Park Fairway Estates, according to a release from the public relations firm retained by the builders.

The plans call for erecting 400 homes on a 115-acre tract to the east of the present village limits. The boundaries are 145th st. on the north, 147th st. on the south, 94th ave. on the west and Silver

Lake Golf club on the east.

The developers are quoted as saying the area will be fully improved with paved streets, sidewalks, sewer, water and storm sewers. The release says the lots will average 65 x 125 or 8,125 square feet. This is under the village requirement of 10,000 square feet per lot, it was pointed out by officials, so the plot will have to be revised to be acceptable, it was said.

The tract is outside the village but is adjacent to it and so could be annexed without difficulty. Spokesmen for the builders indicate annexation is desired. They also said that plans call for erection of homes ranging in price from \$16,000 to \$20,000 and of ranch and split level design with three and four bedrooms, appliance equipped kitchens and attached garages.

Flooded Road Causes Problem At Orland Park

The Orland Park village board this week asked the state highway department to put flares on 143rd street, in the dip west of U.S. 45 to warn motorists against an accumulation of water on the pavement.

Apparently a tile line has been obstructed and water from recent rains and thaws has flowed onto the pavement instead of running off in the ditches. A couple of accidents occurred there last Saturday morning that were blamed on the flooded condition of the road.

Trustee Ike Cleveland contended it was not a state problem but the other members of the board took the opposite view.

Emma Gierke, 90, Dies In Frankfort

Funeral services for Mrs. Emma Gierke, 90, were held Sunday Feb. 7, at St. Peter's United Church of Christ, Frankfort. Interment was in Pleasant Hill cemetery, Frankfort. The Rev. Erich Bizer officiated.

Mrs. Gierke, a well-known area resident, died at her home in Frankfort, Thursday Feb. 24, after a two-week illness.

She was born in Germany, Sept. 3, 1869, and came to America at the age of five years. She has lived in the vicinity since that time.

In 1891, she was united in marriage with Ernest Gierke, living on the farm until his death in 1938. Since 1945, she has made her home with her daughter, Mrs. Amanda Mark.

Besides Mrs. Mark, she is survived by two other daughters, Mrs. Della Kuch and Mrs. Sadie Erdmann, all of Frankfort; two sons, Rheinhardt of Kankakee, and Edwin of Frankfort; and two sisters, Mrs. Minnie Lembo of Minnesota, and Mrs. Bertha Avermann of Chicago, 13 grandchildren and 23 great grandchildren.

Mrs. Gierke was a member of St. Peter's church and the Women's Guild for many years.

New Lenox Man Held On Rape Charge

A New Lenox man, Oscar William Little, 41, of 728 S. Pine st., is being held in the Will county jail on a charge of raping a 9-year-old girl. His bond has been set at \$10,000 on recommendation of State's Attorney Frank H. Masters.

Little is married and has two children of his own, according to county investigators. He is employed as a machinist at the Electro-Motive plant.

He was arrested last week by Deputies Donald Knutson and Charles Hahn in a shopping center parking lot at New Lenox. A description of Little and his car, given by the alleged victim, enabled the officers to apprehend him.

After first denying the charge when questioned by Sheriff Gilbert Knater and Deputies John Shelley and Knutson, Little is alleged to have admitted picking up the girl on Francis rode thru offer of a ride to her home and taking her into the country instead, where the alleged attack occurred.

The child reportedly identified Little and the car. An alert was sent out from the sheriff's office and it was while checking the area that Knutson and Hahn spotted the car and took Little into custody.

No one has appeared at the jail with an offer to post bond for Little. At the state's attorney's office it was indicated he would be held for the March grand jury which is summoned for March 7.

Make War On Stray Dogs

Roaming stray dogs have been cause of concern and complaint from villagers in Mokena, several of whom have appealed to the village board of trustees for some action.

As a result, village officials are seeking a dog catcher.

The latest complainant was Art Hostet of 140 Center st., who reported to the village board at their meeting last week about a pack of stray dogs around his place.

Trustee Henry Shevlin, who has been handling the problem, reported to the board that the Olson Kennels in New Lenox have agreed to take any stray dogs and keep them for a period of three days before disposing of them.

However, the Kennels will not pick up the strays. The charge to the village would be \$1.25 per day to feed a small dog and \$1.50 per day to feed a large dog.

IMPORTANT MEETING

The annual meeting of the Green Garden Farmers Fire Insurance Company will be held at the Green Garden town hall at 1 p.m. Wednesday Feb. 24.

VEHICLE TAGS

Now is the time to purchase vehicle tags in Mokena if you have not done so as yet. The present price of \$3 will be in effect only until Feb. 29.

Orland Park Engineer Invites Questions On Sewer Problems

Orland Park residents who may have problems as a result of the sanitary sewer system to be installed there have been invited by the village engineer, Mark Lovejoy, to bring them to him.

Lovejoy made this announcement Monday night at the regular meeting of the village board after Trustee Melvin Doogan has brought up the question as to the possibility of some homes not being served.

The engineer said that he planned to have service for every home.

"If possible," Lovejoy said, "we hope to keep the sewers on a line of seven or eight feet beneath the surface. In most instances this should be sufficient because in most instances the

houses are at least a foot or better above the street grade so if a basement is excavated to a depth of six or seven feet and the sewer is down seven or eight there is a good fall to carry off water from floor drains or laundry equipment.

"However," he went on, "if there should be a house that is a foot below street grade and the basement is dug down eight feet you can see where there would be trouble.

"In such circumstances the problem is a question of policy for the village board to decide. Should the sewer level be dropped to a point to insure a fall from the house or should the homeowner be required to put in a sump pump to lift the sewerage

so it can be carried away by the main.

"To drop the level of the sewer might cost the village \$1,500 or more as opposed to say \$100 it would cost the householder to install a sump pump. But that is a question of policy."

The engineer has a crew now checking basements in the village and will endeavor to get in touch with everyone, but he also would like persons who have questions about the sewer to get in touch with him. The surest way for one to communicate with him, it was pointed out, was to address a letter or card to Mark Lovejoy, Village Engineer, Orland Park Village Hall.

He is now at work on developing the sewer plans in detail.

Krusemark Speaker

PMA Holds Annual District Meeting

Pure Milk Association is the guiding light and the leading light in the current effort of midwest dairy farmer groups to obtain a fairer return for milk produced.

So said Albert J. Krusemark, Frankfort dairy farmer and attorney who is director of PMA District 13 as he addressed about 250 association members and wives at the district's annual meeting at Plainfield's Sharon Evangelical church Feb. 3.

Krusemark was elected director of PMA District 13 in 1959 on retirement of Joliet's Howard Klett from that post.

The Frankfort man pointed to PMA leadership in the betterment of prices to dairy farmers thru the recent price negotiations completed Dec. 31 with Chicago milk dealers by Federated Dairy Cooperatives.

He reviewed how Pure Milk Association, responding to member instructions, called together the 23 cooperatives supplying milk to the Chicago market, a call which resulted in formation of Federated Dairy Cooperatives.

Krusemark also pointed out to the dairy farmer members that if they desire their association to continue development of PMA distribution facilities, for increased bargaining strength and direct economic return, they must decide soon on how the financing is to be done. Preference to increased Loan Certificate sales to members was indicated by the dairymen at the meeting.

Robert Sproul, Mazon, told of 1960 plans for milk promotions by American Dairy Association of Illinois and national ADA. Sproul is a member of the Illinois ADA board.

District 13 delegates re-elected Richard Erickson, Mokena, presi-

dent; Vice President Ralph Klett, Zarley Rd., Joliet; Secretary-Treasurer Edwin Meyer, Joliet; Leonard Bols, Morris, resolutions committeeman, and Robert Sproul, Mazon, intercooperative relations committeeman, Stanley Peterson, Rt. 1, Seneca, was elected re-districting committeeman, succeeding Albert Lorenz, Frankfort.

Avery A. Vose, dairy farmer president of Pure Milk Association, reviewed the strong forward steps made during 1959 by dairy

cooperatives.

A.L. McWilliams, general manager of Pure Milk Association, expanded on the situation in which Chicago market dairy farmers now find themselves equipped with the tools to determine the conditions under which their product is marketed.

"The power to have more to say about the marketing of your product now is in your hands," he told the PMA members. "Power supplied by having the know-how, the plants, and member strength."

Mokena To Supplement Village Funds

The village officials in Mokena have found it necessary to make a supplemental appropriation to take care of the village's financial needs to the end of the fiscal year on June 30, 1960.

An ordinance covering the additional appropriation, passed by the village board Feb. 2, is published in this week's issue of the NEWS BULLETIN. It represents an increase of \$3,500 over the original appropriation.

The administration fund will receive \$700 for the purchase of police department equipment. A sum of \$250 is appropriated for telephone service.

The largest appropriation amount is \$2,600 in the sewer and water fund to cover repairs, replacement and supplies. The next largest amount is also in this fund and is \$1,200 to cover clerical salaries for billing and collecting.

Other appropriations in this fund, are \$950 for insurance and bonds, \$475 for water plant power, and \$700 for printing and publishing of ordinances. This latter item was inadvertently omitted in the original appropriation.

According to the supplemental ordinance, any unexpended balance of any item of any appropriation made by the ordinance, may be expended in making any insufficiency in any other item of appropriation.

HEAD PMA DIST. 13 FOR 1960: Officers of Pure Milk Association District 13 posed at the Plainfield annual district meeting Wednesday. Seated are (left to right) Director Albert Krusemark, Frankfort, who was elected a year ago for a two-year term; Richard Erickson, President, Mokena, re-elected; Ralph Klett, vice president, Zarley Rd., Joliet, re-

elected. Standing, (left to right) Secretary-treasurer Edwin Meyer, Joliet, re-elected; Leonard Bols, Morris, re-elected resolutions committeeman and Stanley Peterson, Rt. 1, Seneca, elected re-districting committeeman, Robert Sproul, Mazon, was re-elected District 13 intercooperative relations committeeman.

Boy Scouts Rule Village For Week

Last week was Boy Scout week and scouts of the Rainbow Troop Post 40, Mokena, took over the duties of the village council at the opening period of the regular board meeting on Feb. 9. There were 14 junior village officials, including four Explorers of Troop 40.

The junior council called for committee reports from trustees, arranged for paying of bills, and appointed two dog catchers. They are Dale Rodeghero and Larry Weathers.

Mayor James Marti instructed the boys on procedure and the village clerk, Alvin Sorensen, swore them in as officials for the week.

L-W To Receive Declaration On Americanism

A framed copy of the Declaration of Americanism, compiled and adopted at a meeting of veterans organizations many years ago is to be presented to Lincoln-Way high school at an assembly program this afternoon at 3 o'clock.

The presentation will be made by Archie Ward, 144 Barbara Lane, New Lenox, a past commander of the Illinois department of the United Spanish War Veterans.

Mr. Ward was one of those present when the heads of the Grand Army of the Republic, the United Spanish War Veterans, the Veterans of Foreign Wars and the American Legion adopted the declaration.

There will be no classes Friday as Lincoln's Birthday is a holiday that is observed by all the schools. The presentation

of the Declaration of Americanism was arranged for today as fitting for the time.

Supt. A. Hunter Chapman will receive the declaration for the school.

Illness Fatal To New Lenox Infant

Rustin C. Stelter, infant son of Rudolph H. and Carol Stelter, 522 Allan Drive, New Lenox, who had been ill since his birth Jan. 23, died Monday, Feb. 8, at St. Joseph hospital, Joliet.

Funeral services were held yesterday afternoon at 1:30 o'clock from the Baskerville chapel, U.S. 30, New Lenox, with the Rev. Leonard Reinke officiating. Interment was in Maplewood cemetery.

Besides his parents the child is survived by two brothers, Randy, 3 and Ricky, 18 months old, and his grandparents, Mr. and Mrs. Rudolph F. Stelter, of Joliet, and Mr. and Mrs. Ray F. Sellover, of Tinley Park.

BREMEN BEAT

BREMEN BEAT

"The High School Newspaper—Perfect and More So" is the title of an article that appeared in the January issue of Quill and Scroll magazine, which was written by Edwin Bruell, chairman of the language arts department at Bremen Community High School. The periodical, published at the University of Iowa, is the official publication of the International Honorary Society for High School.

The article is a duplicate of a speech which he recently made to the members of the staff of the Bremen Echo, bi-weekly student newspaper published at that school.

Students entrants from Bremen will participate in the individual events of the Southwest Suburban Conference Speech and Dramatics Contest at Oak Lawn Community High School Saturday, Feb. 13, beginning at 8:30 a.m.

They will enter the following events: extemporaneous speaking, original oratory, serious reading, verse reading, original monologue, radio speaking, and oratorical declamation.

Lunch will be served in the school cafeteria at Oak Lawn. Karen Lindquist, Bremen dramatics coach, will accompany the students.

POLICE APPOINTMENTS
Anthony J. Churlin, has been appointed a police patrolman at Orland Park. The appointment has the approval of the village board.

The board also approved a recommendation by Trustee Bretland A. Blair that Police Commissioner Fran Guetter be appointed to serve the community as juvenile officer.

MAKE WAR ON STRAY DOGS IN ORLAND PARK

Orland Park police, with the aid of the Rabies Control Division of the county, have launched a war on stray dogs. Stray dogs have plagued that community for some time so Frank Guetter, recently appointed police commissioner, has taken steps.

In the week ending Feb. 6 seven dogs were picked up, five of them on the 1st but it was not until Feb. 5 that inquiries were made by owners and by that time it was too late.

Dogs running loose, the commissioner warned, will be turned over to the rabies control unit which removes them to the Chicago pound at 31st and Lawndale ave. Dogs are kept at the pound for three days, during which time owners may claim them. Dogs are disposed of after they are kept at the pound for three days.

Orland Park has an ordinance which prohibits dogs running loose in the village, owners that permit dogs to run loose will be fined not less than \$5 for the first offense, police warned.

Other communities in the area are watching the Orland Park anti-stray dog campaign with interest because all of them have a similar problem.

Orland Office Hours

Village clerk Kenneth Halvorson, of Orland Park, will keep office hours for the next three Saturday afternoons, Feb. 13, 20 and 27, between 1:30 and 4 o'clock, at the village hall. The principal reason for this, he explained, was to be available to car owners who have not purchased vehicle stickers. He also will conduct other village business.

MISSIONARY SOCIETY

The Marley Missionary Society will meet at the home of Mrs. Francis Nelson on Wednesday, Feb. 17. The assisting hostesses will be Mrs. Royal Corp, Mrs. Richard Bean, and Mrs. Roy Walker. Members are to bring their love gift boxes to this meeting.

Feb. 19, 20 and 21 at George Williams College Camp at Williams Bay, Wisc. Sponsors attending this Retreat will be Mr. and Mrs. Bill Dunn and Mr. and Mrs. P. L. Jochum. Youth Counsellor Kenneth Webster and Rev. Kenneth Crandall will direct the study sessions during the three-day retreat.

Mrs. Nicholas Schulten, 17655 Highland ave., local chairman for the "53-Minute March" on Cerebral Palsy, put out a call today for more volunteers. More marchers are needed to assure success of the 1960 drive, according to the chairman.

The March will be held between 1 and 4 p.m., Sunday, March 20, in most communities. It is called the 53-Minute March because a baby is born every 53 minutes with cerebral palsy.

The total for the Mothers' March of Dimes was \$732.46. Mrs. William Houle and Mrs. James Hawken, co-chairmen of the drive, express their appreciation to all who helped.

Marine Pfc. James Lee L. Clark, son of Mr. and Mrs. James M. Clark, 18651 Cicero ave., is scheduled to finish four weeks of individual combat training Feb. 12, at the Marine Corps Base, Camp Pendleton, Calif.

Boy Scouts Celebrate 50th Year Last Week

BY MARGARET SEMMLER
 Mokena 5561

It was a big week for the local Scouts as they celebrated the 50th anniversary of Scouting in America.

On Tuesday, four explorers and ten Boy Scouts took over the village board, with the mayor, James Marti, reading a proclamation declaring Scout Week in Mokena. On Thursday the Lions club program was on scouting. Paul Tikalski, Blackhawk District executive, was the speaker. An old scout literature and handbook display was presented, and each person was given a 50th anniversary scout coin.

On Scout Sunday, Feb. 7, the Boy Scout Troop 40 and Explorer

Post 40, joined forces in a 50th anniversary court of honor. Robert Munch was master of ceremonies, introducing events as they were about to happen.

A County Fair demonstration was set up around the room, demonstrating phases of first aid, knots and rope making, forestry, signaling, wood carving, maps, compasses, and the diamond hitch. A display of photos and score cards, along with old and new Boy Scout literature was presented.

Badges of rank and awards were presented to the following: Tenderfoot badge to Kenneth Peters, Dan Jones, and Toby Nickles, all of Troop 40; second class badges to Lowell Noodwang and John Gaszak of Post 40, and Larry Weathers, Joe Ford and Dean Redeghero of Troop 40. First class badge to Jim Miller of Post 40, and Kevin Hoolehan and Robert Horras of Troop 40; star badge to Dan Williams of Post 40, and Wayne Swanberg and Ron Badten of Troop 40 and life badge to Wayne Swanberg of Troop 40. The Scouts and Explorers pinned a miniature of their badges on their mothers.

The Red Cross first aid insignia was presented to Robert Munch, Ray Lorenz and Howard Thacker, by C. D. director Anthony Dina and Stan Williams.

A total of 31 merit badges were presented to 11 scouts and explorers as follows: Rabbit raising, Ray Lorenz; canoeing, Ray Lorenz; Dan Williams, and Jim Miller; electricity, Wayne Swanberg; home repairs, Todd Bennett, Ray Lorenz, Dan Williams, and Robert Munch; cooling, Dan Williams; pioneering, Ron Badten; citizenship, in the community, Robert Munch and Wayne Swanberg; citizenship in the nation, Wayne Swanberg; athletics, Robert Munch and Wayne Swanberg; personal fitness, Ron Badten, Wayne Swanberg, and Robert Munch and Ray Lorenz; first aid, Ron Badten, Wayne Swanberg, Jim Gorman, Robert Horras, Kevin Hollehan, Terry Mueller and safety Robert Munch.

Paul Tikalski, Blackhawk district executive, presented the Post and the Troop with their new charters. Post 50 committeemen were presented registration cards by the institutional representative, Eric Book.

Troop 40 committeemen received theirs from Theodore Beauschel.

The Scouts and Explorers were presented new registration cards and service stars. Chuck Manhart, the new assistant scoutmaster of Troop 40, was presented with his badge of office by Beauschel.

Wayne Swanberg and Jim Gorman received Order of the Arrow uniform insignia by scoutmaster Arthur Omland.

The district executive presented

Thacker with a scout emblem paperweight in appreciation of his work with the Explorer Post.

The Eagle scout badge was presented to Robert Munch by Tikalski, assisted by Post committeeman, Bill Munch. Robert, in turn presented his mother with a miniature of his badge.

In closing, all old timers in the audience came to the front, introduced themselves and their former unit connections and received a 50th anniversary good luck coin.

The Court of Honor closed with all old scouts and scouters standing behind the present scouts and explorers, repeating the scout oath. Refreshments followed.

A letter from Mrs. Ernest Edwards, who with her husband, grandson, and dog Duke, are visiting their son Ernest Jr., and wife in Los Angeles, Calif., state all are enjoying the fine weather.

They were disappointed they were unable to find a spot from which to view the Tournament of Roses on New Year's Day, but were able to view the entries at Pasadena the following day. She described the beautiful floats, especially the Chicago float, depicting the Chicago fire, made completely with flowers.

Their son Ernest, who is making the Marine service his career, has been working for a Columbia picture as technical advisor to the producer, of a marine picture, entitled, "All Young Men," to be released after March 1. He has received several letters and tokens of appreciation for his assistance.

The Edward's other son, Edward of Mokena and her sister from Chicago, left last week for a visit with them.

METHODIST NEWS

The Afternoon Circle of the WSCS meets at 10 a.m. Thursday, Feb. 11. They are working on a variety of projects. The Evening Circle will meet at the home of Mrs. Harold Lotz Friday, Feb. 12. This month's program will again be taken from the book, "All the Women of the Bible." The WSCS will hold a breakfast, open to the community on Wednesday Feb. 17. Mrs. Florence Pitman is in charge, starting at 9 a.m. in Fellowship Hall. A used jewelry sale will also be held.

On Saturday and Sunday, Feb. 20 and 21, there will be a Methodist Youth Institute at the Richard st. church, Joliet, opening at 9 a.m. on Saturday and 2:30 p.m. on Sunday. Parents are welcome to attend.

Miss Sandy Swinford, daughter of Mr. and Mrs. Andrew Zink was pledged to Gamma Mu chapter of Sigma Kappa at Eastern Illinois University, where she is a freshman.

The Women's Guild of St. John's church will meet in Fellowship hall Feb. 18, with dessert-coffee at 1:30 p.m.

Mrs. Rudolph Engelhardt will give a Biblical biography on one of the women of the Bible.

The father-son banquet is scheduled for April 1.

The women plan a bake sale on Feb. 20, at Richardson's meat market.

Hostesses for the February meeting will be Mesdames Fred Knudson, chairman; Anton Benson, Conrad Bettenhausen, Emma Klose, Mabel Kropp, Henry Luplow, Peter Mancke, Henry Shevlin, and Rose Yunker.

Army Specialist Four George E. Dath Jr., whose father lives at 1721 Montvale, Chicago, participated with other personnel from the 8th Division's 505th Infantry in Fox Force, a tank-infantry mobility field training maneuver in Germany. The exercise was concluded Feb. 1.

The maneuver, conducted under realistic combat conditions, stressed hand-to-hand combat, squad and platoon tactics and village fighting.

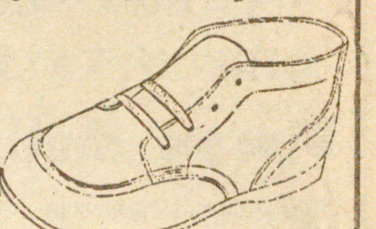

Dath, an automatic rifleman in Company A of the infantry in Mainz, arrived overseas in January 1959.

The 21-year-old soldier, son of Mrs. Ruth E. Dath, 54 W. Front st., Mokena, is a 1956 graduate of Lincoln-Way High school in New Lenox and attended Joliet Junior College.

Knights Divide - Beat Lemont, Drops To Reavis

BY BILL SLUIS

For the second time this season, the Reavis Rams upset the Lincoln-Way Knights in a South-West Suburban game. This time the final score of the battle being 55-51, Reavis the victors. The Knights, behind much of the game, fought back to take the lead with 4:10 remaining in the game 45-44, and continued to lead the way until 1:31, when Ken Natale netted two gift flips to give Reavis the lead 50-49.

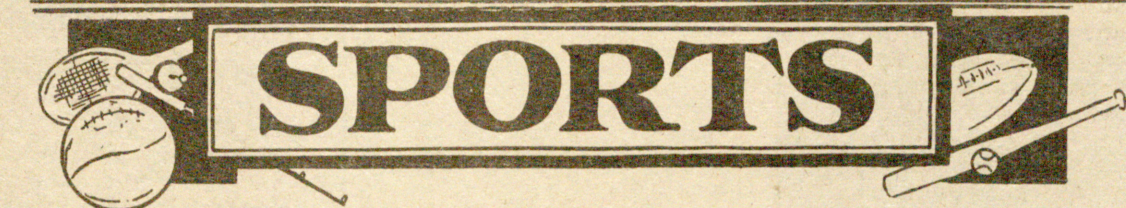

Later, with 0:20, Duane Warning hit a shot for the final L-W point, but it was too late, as several Reavis free throws finished the Knights. For Reavis, it was Bob LeMonier leading the scoring with 20, and Ken Natale canned 16. Duane Warning got 18 for the localites, while Skip Kruzich bucketed 15 pointers.

Reavis took a 16-10 lead in the first quarter, as LeMonier and Bill Marcordes scored six points apiece. In the second quarter, the Rams widened the lead to five, gaining a 28-23 score. A fine Reavis defense, in addition to a good offense, was responsible. Thusly, things looked bad for the Knights at the half.

In the third quarter, the Knights fought back and tied the game briefly, but the Rams took charge of the situation and regained the lead to a 40-34 margin.

But the Knights, as usual not ready to give up just because their opponents had a small lead, got back into the game and gained the aforementioned lead with several minutes left.

Then the Reavis free throws, by

Ken Natale, Bob LeMonier, and Gerald Savelle eliminated the Knights. The Knights are now 5-5 in SWS play, and their next conference game is at Reavis Thursday night, with the Varsity game beginning at 8:00 p.m.

Departing the home premises for a Saturday night game at Lemont, the Lincoln-Way Knights went on to take an easy win over the Lemont Indians. The final score was 56-37, with Duane Warning taking the scoring honors with 20.

The Indians never so much as threatened the Knights, who used their more inexperienced Junior

Varsity players during the latter half.

An outstanding tribute to the Lincoln-Way defense came in the first quarter, as the Indians didn't connect for a single field goal, getting only three free tosses, as the Knights took a 17-3 lead. At the half, the score stood 37-13, the Knights on top, of course.

Therefore, in the third quarter, the Knights used substitutions in the game, but they, instead of losing the lead as Lemont fans anticipated, stayed even with the Indians, due mainly to a stalwart defensive pattern.

The fourth quarter was more of the same, and the final score was 56-37. The game is a sure indication of the marked improvement the Knights have shown this season, since in previous days, the Indians gave the Knights one of their good foes. This game, however, can be classified only as a romp, the Knight substitutions doing as well as the Lemont variety.

This week, the Knights play Rich nad Peotone, undoubtedly their two toughest enemies of the last few days. The Knights are presently 10-7 for the season.

Baseball League Seeks More Player Facilities

Concerned with the lack of ball diamonds to serve the athletes, William Nordhoff, secretary of the Tinley Park Baseball League, has requested in a letter to village officials that a meeting be held with interested parties.

When Nordhoff's letter addressed to the village board was read at the meeting last week, discussion on a backstop purchased by the Recreation Commission was held. The backstop was to have been used on the site of the new high school on 175th st., but as construction of the school will start this Spring, another location is needed.

It was reported by Trustee Joseph McCarthy that St. George church would like to have this backstop. However, the Recrea-

tion Commission would have to be in control of its use, it was stated by Bill Zimmerman, Recreation Commission Chairman.

The Tinley Park Baseball League has expanded since first formed to such an extent that for 1960 the organization will be comprised of the following teams:

Morning League 50 boys - 8 to 9 years.

Little League (Minor) - 6 teams - 90 boys 9-12 years.

Little League (Major) - 6 teams - 90 boys 9-12 years.

Pony League 4 teams - 60 boys - 13 to 15 years.

Proposed team of boys 16 to 18 years to compete with teams from neighboring communities.

The members of the League are hopeful more sites for baseball diamonds will be offered.

Plan 17 Baseball Teams For Boys In Tinley Park Area

Plans for the coming baseball season in Tinley Park are now being made, according to Ralph Kimmel, president of the Boys' Baseball League.

The League is planning a complete program of competitive baseball, to include boys from 9 to 17 years old.

The boys from 9 to 12 years will be included in a morning league, a minor Little League of six teams, and a major Little

League of six teams.

Bernard Ercius will be in charge of the minor league and Bill Paliner in charge of the major league.

The 13-15 year olds will compete in the Pony League, where it is planned to have four teams.

The League is also working with the American Legion Post 615 to enter a team of 16 to 17 year olds in American Legion competition with neighboring communit-

ies.

The team will be managed by Leonard Moskal, with John Punis, vice president of the Pony League and the Legion team.

The 17 boys' teams planned will require more baseball diamonds than are presently available.

This shortage of fields was the subject of a meeting between village officials, the recreation commission, and the League last Saturday morning.

Little League To Sign Talent

March 5 and 6 have been set aside for registrations for Little League players at Country Club Hills.

On Saturday, March 5, officials of the organization will be on hand at the city hall, 17701 Crawford, from 9 to 12 noon to accept applications. They will also be there on Sunday, March 6, from 1 p.m. until 3 p.m. Boys must be accompanied by one or both parents and must present birth certificates.

Boys eligible to play are those who were born on and after August 1, 1947 to and inclusive of July 31, 1951. Anyone requesting additional information may contact Emil Van Tichelt at SY-9-5390.

Semmler Press Sports Editor

The special feature on the SWS Conference Wrestling will be in the 2nd Annual Sports Edition next Thursday. Illness prevented our entire staff from doing the job at the split second, but a full feature on the event will be forthcoming in the next sports issue of Semmler Press.

You will want to pick up next week's paper.

A special feature on boat racing will be incorporated, along with other items of local interest.

It was another weekend of beating the favorites in the SWS. It is Eagles all the way. It will take a major miracle to drive the Adams-men from the top perch in this Conference.

Bremen's string of defeats have been a mystery to most local sports fans. The Braves were tabbed the team to beat in the SWS. They have now lost a total of four Conference games and face a couple more difficult rounds with higher rated foes.

Lincoln-Way felt the sting of defeat by the small, fast moving men from Reavis. The Knights had a five game losing streak broken on Friday evening on the home court. It was a bitter defeat. Lincoln-Way could have moved up into a tie for third place with a victory.

However, the Lincoln-Way record is still far more than local partisans had hoped for. Even Joe Kruzich, coach, would have been satisfied with an even split on the season. Well... the season isn't over.

District wrestling meets get underway next weekend. We will have a report on the district meet as well as the Conference.

It will be interesting to see how the SWS come out in the district events. This is one sport where the Conference usually does not have to take a back seat to anyone.

It looks like the Tinley Park Methodist basketball team is headed toward its second undefeated season in two years. In three years of basketball the Methodist have lost only one game in regular season play.

There are some rather good basketball players performing in the church league. Many of these boys were adequate on their high school teams.

The support of the league has been somewhat less over this season than it was the past two years. The calibre of play has been much better than in the past.

An evening with the family would be an enjoyable one.

Basketball is in better balance in the SWS, but just how will the winning teams stack up in their post-season tourney is a big question. Many observers suggest that they don't have the material or the know how to do much of anything in the big games of the season's end.

Carl Sandburg was not able to beat Argo in the early season, but the lads from north of Orland Park are stumbling before some rather unheralded foes, while the Eagles continue to win.

Lincoln-Way kicks off its tourney play with Lockport, top-seeded in its area. Last year the Knights started proceeding with powerful Bloom. Things don't look very good over that way.

Bremen was the only team to get by the first round last year. The Braves square off with Homewood-Flossmoor in the opening round. The Vikings have defeated the Braves in regular season's play by 12 points. Maybe something can be decided about this score in this one in the next meeting of the two teams. The Vikings have lost since the double beating they got from Lincoln-Way and Carl Sandburg on the same weekend.

Things still don't look too good for a team out of our area or the SWS Conference to get very far in the early stages of the state tourney, let alone very far.

Sandburg would seem to have the best chance to get beyond the first round over in its section.

HAROLD MEEKER, (left) of Joliet, DeKalb district sales manager for Illinois Farm Supply Co., congratulates John Alsterda upon awarding him with the star salesman's award. As a petroleum salesman for Lake-Cook Farm Supply Co., of Tinley Park, Alsterda received the award for 1959. This honor is given to salesmen in the Northern Illinois district who have achieved a high volume of business through conscientious service and hard work. Sales and delivery of fuel oil and many other petroleum products to urban and rural residents in the Tinley Park district are handled by Alsterda.

the daughter of Mr. and Mrs. J.F. Bonaker, 3348 West 164th Street, Markham.

Members of the senior class at that school nominated four candidates for that honor, and then the girls were voted on by the members of the faculty.

Donna received a certificate and a pin.

The students were chosen on the basis of dependability including truthfulness, honesty and punctuality; service which includes cooperation, helpfulness, and responsibility; leadership, consisting of personality, self-control, and initiative; and patriotism which is interpreted to mean unselfish loyalty to American ideals.

Runners-up, whose scores were high in the voting, were Barbara Brown, Pat Jungles, and Lynn Lehman.

Past Presidents Honored At Founders Day Program

Braving a freezing rain, some two hundred people turned out to pay tribute to past presidents, charter members, and outstanding contributors to the growth and development of the Tinley Park Parent-Teacher association at its "Founders' Day" meeting last Friday evening in the Tinley Park Central school auditorium. The occasion marked the 35th birthday of the organization.

Of the original 15 members cited by Mrs. Kenneth Crandall, historian and chairman of the "Founders' Day" program, two were present. Mrs. Helen Sandidge and Mrs. Harry Mager, representing the eight surviving founders, received tokens of recognition for their service to the P.T.A.

Historical highlights of the organization were revealed in short commentaries by the past presidents on P.T.A. activities during their respective terms of office. Those participating, starting with Mrs. John Swisher, the oldest living past president, were: Mrs. Walter Johnson, Mrs. E. B. Campbell, Mrs. L. V. Bacon, Mrs. William Kopp, Mrs. Doris Miller, Mrs. John Devlin, Mrs. Edwin Hugh, Mrs. Percy Jochum, Mrs. Donald Hollingshead, Mrs. Elmer Knudsen, and the current P.T.A. president, Mrs. Kenneth Schmidt.

Past presidents, Mrs. Walter Flerke and Mrs. Percy Jochum were honored with P.T.A. life memberships. Distinguished service member scrolls were awarded to the following for their extraordinary contributions to the organization: Mrs. Jean Rauhoff, principal of Bert Fulton school;

Mrs. Helen Sandidge, Mrs. Helen Lemke, and Mrs. Adolph Phillips, teachers in the Tinley Park public schools; Mrs. Melvin Harcourt, secretary to the superintendent, Mrs. Donald Hollingshead and Mrs. Elmer Knudsen, P.T.A. past presidents. The presentations were made by Mrs. Irwin D. Johnson, scholarship chairman, "High Buttoned Blues", a musical comedy presented by P.T.A. members under the direction of Mrs. Alberta Davis, provided the evening's entertainment.

Following tradition, the "Founders' Day" business meeting was conducted by the vice-president, Mrs. Naughton.

Nominated to fill P.T.A. offices for the 1960-1961 term were: President, Mrs. Irwin B. Johnson; vice-president, Mrs. John Naughton; secretary, Mrs. Newton E. Brightwell; and treasurer, Mrs. Charles E. Moore, Jr. Mrs. C. Robert Lillie, treasurer, acted as chairman of the nominating committee which also included Mrs. Flora E. Rogers and Mrs. John Aitchison. Nominations from the "floor" will be accepted and the officers will be elected at the March P.T.A. meeting.

Room count awards went to Mrs. Helen Lemke's room in Bert Fulton school and Mrs. Helen Sandidge's room at Central school.

Mrs. Schmudde and Mrs. Naughton poured at a "coffee" following the meeting. The theme of "Founders' Day" was skillfully incorporated in the lovely centerpieces and table decorations made by Mrs. Naughton. The P.T.A. board was responsible for the refreshments.

with a PTA life membership; Mrs. Melvin Harcourt, secretary to the school superintendent; Mrs. Paul Rauhoff, principal of Bert Fulton school; and Mrs. Adolph Phillips, a teacher. The presentations were made by Mrs. Irwin B. Johnson, scholarship chairman. (Marvin Smith photo)

Welcome Wagon Planning Luncheon, Fashion Show

The Southmoor Country club, located at South west Highway and 131st St., will be the scene of a luncheon and fashion show Saturday, Feb. 27. The event, sponsored by the Southwest Suburban Welcome Wagon Club, will feature styles from the Cinderella Shop of Palos Heights.

Cocktail hour will begin at 12 and luncheon will be served at 1. The price per ticket is \$2.85 and may be purchased through Mrs. Elsie Kupiec, FI.9-8122 and Mrs. Helen Arp, FI.9-0250. All women of the community are cordially invited.

The general chairman of the program is Mrs. Esther Johnson and her committee consists of Mrs. Virginia Sorenson, Mrs. Janet Anderson and Mrs. Betty Thurston. Entertainment was provided by Miss Linda George at the Feb. 1 meeting of the Welcome Wagon

club. Miss George holds the 1958-59 Illinois juvenile baton twirling championship, sanctioned by the U. S. Twirling Association and has won over one hundred awards in other competitive twirling.

Captain Kleis of the Cook County Sheriff's office also spoke on juvenile delinquency which was followed by a question and answer period.

Slides To Be Shown At O.P. Woman's Club

Slides of Europe and the Middle East will be shown by Mr. and Mrs. Wesley Lindquist at the Orland Park Woman's club meeting to be held at 1:30 p.m., Wednesday, Feb. 17, in the Community Center Foundation. The couple took the slides while on a trip.

Constitutional convention is the chosen topic for discussion at both meetings.

Garden Club

Members of the Tinley Park Garden club viewed films at the Jan. 22 meeting held in the home of Mrs. John Swisher.

The film from the National Garden Bureau was shown by member, Mrs. Lillian Zaqadzki, and pertained to preparing soil and planting seeds for later transplanting, and also views of mixed flower plantings.

Announcement of a flower show to be held in the Chicago Amphitheatre on March 19 to 27, was made by the president, Mrs. Geris Klepper.

Country Club Hills Woman's Club Sponsors Cupid's Ball

Final plans for the annual "Cupid's Ball" to be held on Feb. 20 at Sanger hall, Tinley Park, were made at the last meeting of the Woman's Club of Country Club Hills held in Willowview school.

Members of the club will sell tickets from door to door. Surprise entertainment is being planned for the dance, and the winning slogan in the current city slogan contest will be announced at the ball. Also discussed was the club dinner and it was decided that this event will take place on March 24 at the new Surmas restaurant.

Before the meeting ended, a representative of the Ill. Bell Telephone Co. showed two films. Girl Scout Troop #268, under the direction of Mrs. Frank Mills, presented a program showing some of the things the girls do at their meetings and the girls explained the requirements for advancement.

ARBOR PARK-KIMBERLY HTS. UNIT

In keeping with the month's theme, a one act playlet was presented by male members of the Arbor Park-Kimberly Heights PTA ON Jan. 21. It stressed the importance of fathers' interest and participating in the PTA program. Edwin Morton was chairman.

The senior naturalist of the Forest Preserve of Cook County, presented a program, "Outdoor Education and the School".

Musical entertainment was furnished by an instrumental trio, including guitar, played by Steven Sawatski of Forest Ridge.

Refreshments were served by the 5th grade room mothers with Mesdames William Sawatski, William Jacobson, and G. J. Ulinenstine as hostesses.

Movies For Kids Being Shown At St. George

The Holy Name Society of St. George Parish, Tinley Park, showed movies Feb. 7, in the school hall for the children. They will be shown every other Sunday and will start promptly at 2 p.m.

Bill German, a member of the Society, said that the movies shown will be chosen for children of school age level.

The entertainment chairman, Pat Lloyd, has selected a few of the men to help in supervising the children during the afternoon.

The president of the society, Earl Melia, has asked that a small admission charge be asked to help defray the expenses of purchasing the films and maintenance of the projector and other incidentals. He also invites all the children of the community to attend these movie sessions. Refreshments will be available.

Sale Of Decals To Aid Lincoln-Way School Band

The Lincoln-Way Band Boosters have mailed decal stickers to be placed on automobile windshields throughout Mokena, New Lenox, Frankfort and Manhattan, and are asking voluntary contributions to aid the band.

The group is well pleased with the returns to date and the fine response from the communities served by the school.

Anthony Dina of Mokena, Band Boosters president, requests that any persons who have not received the decal in the mail, and wish to have one of the emblems, to call him at Mokena 5545.

The decal shows the state outline and the location of each community by name, in the attractive school colors.

The community band again received an "excellent" rating in the state finals last year.

Each year the band is suffering from growing pains and money is needed for equipment.

The Band Boosters in the past have raised money for uniforms. More is needed for purchase of instruments. Future plans of the Boosters are to provide uniform storage units for the new band room, improvements in the new

practice rooms and more musical instruments.

They would also like to finance a week at a summer band camp for all of the members of the Lincoln-Way band.

The selling of the decals is the main source of revenue for these projects.

The following women, serving on the decals committee, may also be contacted for additional decals: Mrs. Ben M. Wilson, phone New Lenox 8675; Mrs. William K. Clark, phone New Lenox 8462; Mrs. W. E. Zattau of Manhattan, phone Greenwood 3705; Mrs. Larson, Frankfort 5352; or Mrs. Harold Smith, Frankfort 5128.

LINCOLN'S BIRTHDAY

Feb. 12, the anniversary of the birth of Abraham Lincoln, the 16th president of the United States, is a legal holiday. Schools, banks, many administrative offices, and other places of business will be closed that day.

A colorful figure, whose untimely end was mourned by all Americans, he is perhaps best known for his Gettysburg address.

OAK FOREST HOSPITAL'S Valentine for 2400 patients, a hearty 266 fluffy pounds, readied for delivery Feb. 14 by Head Baker Adolph Jaeger, 17523 65th ave., Tinley Park, Supt. Carl K. Sch-

PTA NEWS

TINLEY PARK UNIT

Both over-zealous and under-active P.T.A. members took a sound spoofing by the musical comedy, "High Buttoned Blues", presented at the Tinley Park Parent-Teacher Association's "Founders' Day" meeting last Friday evening in the Tinley Park Central School auditorium.

Staged by a group of P.T.A. members who had as much fun as the audience, the play centered on the P.T.A. activities of two families through several generations and decades, including the frivolous flapper era.

Mrs. Harold C. Moore at the piano set the scenes, dating from the early 1900's through the present, with familiar melodies popular in each period. Nostalgic old tunes were the foils for satirical lyrics employed in developing the plot.

Ending on a happy note, the inactive and over-involved members reached a happy medium which inspired a rousing chorus inviting all P.T.A. members to do likewise.

Under the direction of Mrs. Alberta Davis, the cast of the play, written by Lorrie Paul of Evanston, Illinois, included Mrs. Bernard Ercius, Mrs. Raymond Jensen, Mrs. Lyle Nelson, Garland J. Deinet, Mrs. Melvin C. Edman, Mrs. Robert Gelsenberg and Mrs. Edwin W. Magee. Mrs. Kenneth Crandall, "Founders' Day" program chairman, served as narrator. Mr. Deinet also acted as stage manager.

ORLAND PARK UNIT

Dr. Virgil Kraft spoke on "A Visit in Russia" to a sizeable audience of parents, teachers, and Jr. High students at the Orland Park Parent-Teachers association meeting at the Elementary school Wednesday evening, Feb. 3. Movies, colored slides, and on-the-spot tape recordings were used by Dr. Kraft to present a vivid portrayal of Russia today.

Writer, popular speaker, and associate pastor of the Peoples church with Dr. Preston Bradley, Dr. Kraft currently is lecturing on his second trip to Russia, made with Mrs. Kraft in the Spring of 1958. Russian schools and their PTA counterpart were included in the discussion.

Because of the interest in the program, this particular P.T.A. meeting was opened to the older grammar school children.

Fathers counted two points, mothers one, toward room count honors, since this was annual Father's Night. Mrs. Hall's seventh grade won the award.

The business meeting, presided over by Mrs. Frank Bischoff, president, included passage of a motion to purchase a standard audiometer. Mrs. Clarence Kelsey, school nurse, will serve as chairman of the bake sale which was approved to raise the additional money needed for purchase of the machine.

A silver collection was taken in honor of Founder's Day.

Refreshments were served by mothers from Miss Mary Glender and Mrs. Gene Yunker's rooms.

PTA

It's PTA movie-time again, and this month our Channel 9 friend to harassed Mothers, "Bugs Bunny," leads a parade of nine cartoons plus two short feature films calculated to tickle funny-bones from here to Flossmoor.

Abbott and Costello are the clowns in one of the film features, and the cast in the other will be a guarded secret until show-time. The films will begin at the usual time of 1:30 p.m. Saturday, Feb. 13, at Willowview school. Popcorn and candy will be sold. More help is needed from parents to assist at the movie; volunteers are urged to call Mrs. Lois Zanzig, SY.8-0206.

PTA BAKE SALE

Results of favorite pastry and cake recipes will be displayed and sold next Thursday evening, Feb. 18 during the regularly scheduled meeting of the P.T.A. The goodies, all baked by loyal P.T.A. mothers, will be available for inspection and sale in the corridor of Willowview school, 180th and Kostner, at 8 p.m. so interested buyers can attend the sale without feeling obliged to join the meeting downstairs.

The meeting should be interesting, however. Dr. Harry Joyce of the Institute of Hypnosis will lecture on the use of hypnosis in modern medicine. He will probably also see to it that all the cakes are sold, effectively demonstrating mass hypnosis as commonly used at bake sales. The meeting begins at 8 p.m.

ART AND THE FAMILY

This was the title of a lecture given by Mrs. Rusty Wilson at the Kirby Grade School, 173rd and Ozark, on Tuesday, Feb. 9th. The students' Annual Art show was also judged by Mrs. Wilson and ribbons and honors were awarded to outstanding drawings, paintings, and clay sculpture. Mrs. Wilson appeared for the Kirby PTA last year. This year, she demonstrated potato prints, which are easily made with ink, paring knife, and baking potatoes.

Meal Plans Subject Of Home Bureau

"Easy meal plans for busy homemakers" was the title of the major lesson presented and demonstrated by Mrs. Betty Shinn, home advisor, at the Feb. 4 meeting of the Frankfort-Mokena Home Bureau, held in the home of Mrs. Marvin Kohl.

Mrs. Shinn also showed a movie, entitled, "Good Meals for Busy Days".

Roll call was answered by ten members and one new member joined the group.

The following coming events for February and March are scheduled: Friday Feb. 19, Craft Day, Serbian hall, Joliet; Tuesday March 1, Play Day, "Farmer-Farmerette Frolic" at Manhattan town hall.

Ray Olson of Moline has been engaged as a square dance caller for the day. Farm and Home festival show at the University of Illinois will be Thursday, Friday, Saturday, March 31, April 1 and 2.

Mr. and Mrs. William Seeman of Frankfort will entertain on Saturday evening, Feb. 20, at the monthly card party.

VFW Bake Sale Planned

The Ladies Auxiliary to VFW Post 2791 will hold a bake sale in the National Tea store on Oak Park ave., Tinley Park, on Feb. 18, it was announced by chairman, Mrs. Edward Loebert, at the Jan. 19 meeting.

A talk and film on civil defense was presented by Mrs. Emma Fraeger Mooney, past President of the Progress VFW Post of Chicago, who is chairman of Women's Activities of Cook County civil defense.

A new member who was welcomed and initiated into the membership was Mrs. Charles Murphy of Ravinia drive.

The president, Mrs. William Houle, announced that the Auxiliary will assist Joseph McCarthy in the annual March of Dimes drive on Jan. 28.

Hostesses were Mrs. Mike Haber and Mrs. William Nagel.

WILLIAM F. WHITESIDE
Cook County Associate
Farm Adviser

The University of Illinois, College of Agriculture, from the time it was established until now, has been interested in instruction and research. It was the dissemination of the research that was developed by the College of Agriculture, that created interest in establishing the Extension Service at the national, state, and county levels. The county farm adviser is the local representative of the Extension Service, College of Agriculture, University of Illinois.

In presenting interesting evidence of the value of research, concrete examples are the most convincing. Outstanding examples in Cook County are as follows: The corn yield in the county between 1920 and 1940 averaged 40 bushels or more per acre only twice in the twenty-year period. Since 1941 the yield has never been lower than 41 bushels per acre and in 1959 the average yield of corn was 70 bushels per acre.

Let us look at soybeans. Between 1928 and 1931 there were grow-

wn fewer than 1000 acres of soybeans annually, with an average yield of eleven bushels per acre. In 1959 there were near 26,500 acres grown with an average yield of 29 bushels per acre.

Let us look farther into research and consider the field of mechanization. In 1920 one farmer produced enough food for himself and approximately six other people. Today he produces enough for himself and twenty-four other people.

Similar examples could be cited in vegetable production, livestock, dairy and poultry production, and in other phases of farming. The University, through its research program, has aided the farmer and industry greatly in bringing about changes. Amore abundant agriculture has resulted first because the research was developed and second, because farmers have applied the results of the research to their own farms. When the farmer ceases making changes he no longer will be the most successful farmer.

Many farms have more than doubled their consumption of electric power, but few have doubled their wiring capacity since it was installed. Often you can increase your wiring capacity since it was installed. Often you can increase your wiring capacity but still use present wiring by providing another service entrance and separate circuits. In other words, you don't need to tear out all the old wiring if it is safe and in good condition.

Is alfalfa meal necessary in dry-lot hog rations? While alfalfa meal is a good source of B vitamins and vitamin A, the commercial premixes are usually a cheaper source. Also, the fiber in alfalfa meal may tend to slow gains. If you are mixing your own rations, I can give you sources of these vitamin premixes.

"Are there still more bank savers than any other kind?"

Yes — indeed, their number is growing all the time. Today, more than 80 million people have savings accounts in banks. And the American saver's reasons for preferring the bank as a place to save are still indisputably sound ones. His savings are safe, and handy, and earn a return without his having to invest. He can tend to other financial needs, under the same roof; can draw on bank experience for help with money matters of varied kinds. At our bank, new savers are always welcomed — and rewarded!

Country Club Hills Flu And Childhood Ailments Slash Attendance At School

BY MARGOT BARTNIK
Sycamore 8-7742

An above average rate of absence has been blamed on an increase of flu, measles, mumps, and chicken pox, according to Supt. Zenon Sykuta. "Parents can help," the superintendent said, "by carefully checking their children each morning to see that they have no fevers, headaches, or other symptoms of illness and thus reduce the absence rate by reducing contagion."

Fourth grade students of Mrs. Schumacher at the Thomas Lane school, have not minded days when the weather was bad, since Mrs. Schumacher has initiated square dancing. Movies have been shown in January to the kindergarten and up thru the fourth grade, in every-day living and on proper use of the telephone. In cooperation with the PTA and the county health nurse, Mrs. Nystrom, our District 160 took the heights and weights of children in Grades 2, 3, 4, and 6, 7, and 8. Mrs. Howard Burmeister, health chairman of the PTA, was assisted in this undertaking by Mrs. Clayton Ammondson, Mrs. Anthony Scoglio, Mrs. Charles Smith, and Mrs. Michael Malone.

Mrs. Charles Huckins, primary supervisor, attended a dinner and meeting of the Ill. Elementary Supervisors and Principals Assoc. held at the Ridge School in Homewood, recently.

Mr. Zenon Sykuta, Superintendent, and Mr. Harold Jones, teacher at Willowview School, recently attended a meeting of school principals and superintendents to hear discussed participation by school districts in the National Defense Education Act provisions. School District 160 participated in this program last year in the area of science and plans this year to participate in science and mathematics. This meeting was held at the Homewood - Flossmoor high school.

Cites Need Of 2nd Truck

The immediate need for a second piece of mobile equipment was announced by Frank Daniels, chief of the Country Club Hills fire dept. With the annexation of Nob Hill addition by the fire protection district, the territory protected now extends from 191st st. (Flossmoor road) on the south to 167th Street on the north. An emergency call at one end of the city would now leave the other end without adequate protection, it was stated. This, plus the construction of the shopping center at 183rd street and Crawford, call for immediate expansion of the fire department, in order to preserve the Fire Insurance rating, the chief said.

Tentative specifications call for "walk-in" type truck to be equipped with hand extinguishers, axes, pike poles, emergency lighting equipment, salvage gear, portable pump, emergency cutting equipment, smoke ejector and many other small items. While the new truck would not have a permanent pump, it could be dispatched on emergency calls while the pumper remained in the Fire House or it could be used to "clean up" after a fire while the pumper returned to the Fire House to be available for other calls, it was said.

The Firemen's club of the C.C.H. fire dept. will have the responsibility of raising the funds to purchase this equipment and the club will announce its plans when they have been completed.

WTTW FUND DRIVE

Mrs. Howard Burmeister, 4806 W. 177th St. has been appointed co-chairman of the March fund drive for educational television. (Co-chairman previously appointed was Mrs. Rusty Wilson.) The PTA sponsors this fund drive and the goal is to collect .50¢ per family for use by WTTW (Channel 11) studio in Chicago. The money will be collected from the entire Chicago area and used this year to bring live plays, school programs, and visits to museums and concerts on Channel 11.

Mrs. Burmeister is a nurse at Oak Forest Hospital, and is serving as Health chairman for our PTA.

GIRL SCOUT LEADERS MEET
Mrs. Charles Harnach was hostess at a meeting of the Scout and Brownie Leaders, Co-leaders, and Committee members, on Tuesday, Jan. 26th at her home. Mrs. Herbert Nelson, (Country Club Hills representative of Girl Scouts) presided at the meeting. Also present were some Brownie mothers from Troop #259.

MARCH OF DIMES SUCCESS
An amount of \$378.74 was collected in Country Club Hills during the annual March of Dimes drive it was reported by Mrs. Gus Palumbo area chairman.

VEHICLE STICKERS
Residents are reminded to purchase their vehicle stickers soon, as deadline is Feb. 15. Mrs. Virginia Bennison is at the city hall every day until 5 p.m. and the police dept. will have the stickers available during the evening this week to accommodate residents. The fee is \$4.

FRIENDS AND NEIGHBORS
Billy Mannegold, son of Mr. and Mrs. William Mannegold, was 5 years old on Jan. 27. Young Billy was host to several children at lunch. They included: Marta and Jeffrey Earhart, Chuck Jirik, Frankie Buder, Carol Murray, Douglas Stadt, and Billy's brother, Bobby. Mrs. Jack Murray assisted Mrs. Mannegold with the party. Mrs. Mannegold celebrated her birthday the next day, Jan. 28.

George Peter Bartnik, eldest son of Mr. and Mrs. George Bartnik, celebrated his 12 birthday, Jan. 30 at a birthday dinner in his honor that evening. Present were his grandparents, Mr. and Mrs. William J. Cody; Paul Hoffman, school friend; an aunt and uncle - Mr. and Mrs. Charles Delaney and children; and - of course - his four brothers, Marc, Tom, Joey, and Paul. Earlier that day, George and two of his brothers were treated to a trip to the Planetarium, Aquarium, and Field Museum by their father.

WELCOME TO: Mr. and Mrs. Walter J. Barry, who moved into 19031 Anthony, on Jan. 30. Mr. Barry is employed by Libby McNeill & Libby in the Sales Dept. The Barry's are from Park Forest. On Jan. 29 the Francis J. Cousineau family moved into 19010 John Ave. from Calumet City. Mr. Cousineau has been employed as a guard by Fisher Body, for eight years.

Also on Jan. 29 Mr. and Mrs. John Thompson, with their two auburn haired children, moved into 18920 John Ave. from Park Forest.

Mark Larson entered first grade at Central School. He is in Mrs. Evan's class. Mr. and Mrs. William McLean announce the birth of a son, Scott Arthur, who was born on Jan. 23 at Little Co. of Mary Hospital.

Among the many persons ill in this unpredictable weather, is Mrs. Cleo Thyfault, who is suffering from an acute attack of Arthritis.

The little Lawrence Simon baby has been hospitalized - being on the brink of pneumonia.

Five year old Johnny Redington created quite a stir when he came down with measles while on a business trip with his father, John Redington, Sr. Father and son had flown to Florida when Johnny became ill. His mother welcomed them both back last Sunday, after a week's absence.

Condolences are extended to Albert Stasko who departed for Pittsburgh for the funeral of his mother, Mrs. Stasko returned last Monday.

Pleased With Shopping Center Plans For C.C.H.

"The recent announcement by the J. E. Merriam Company of plans to construct a Shopping Center at 183rd and Crawford is very good news for all residents of Country Club Hills! At a recent luncheon, Mr. Merriam outlined his plans for the first phase of construction of this Shopping Center, to begin in the spring of 1960.

The first phase will develop about ten acres of the forty acre site, and Mr. Merriam indicated that perhaps as many as ten stores would be included in the initial development. I am pleased that the Shopping Center is under way. This important source of tax revenue will enable our City government to enlarge on the services returned to the individual tax payer.

In addition, the convenience of good shopping with adequate parking facilities will attract more residents to our city. This will also aid in maintaining property values. I wish the Merriam Company success in this venture!" said Mayor James Nally.

Church News At C. C. Hills

At the official board meeting of the United Christian church the past week, a building committee was set up to recommend an architect and to work with him in drawing plans of the first unit of the new church. Those on the committee are: Carl Smith, chairman; Del Forsgren, Jean Leek, Al Matthews, Robert Brown, Kathleen Purvis and Don Morrow. Architects will be interviewed by the committee shortly.

A "New Member Tea" is planned for those members who have joined the church since meetings have been held in the Willowview school. The Tea will be held at Willowview school, on Sunday afternoon, Feb. 14th from 3 p.m. until 4 p.m., and is under the direction of the Membership Dept.

The Finance Dept. has revealed plans for a Men's Supper on Feb. 19th, to be held in Willowview school. The theme is to be, "A Time of Decision" and will relate directly to the future of the church's Building Fund.

Bill Lindecker, financial secretary, has seen to it that members and friends of the church have received their new white envelopes. These 6 month boxes are to be designated for the Building Fund of the church.

Next monthly visit to a ward at the Tinley Park Mental Hospital will be made by women from the church on Wednesday, Feb. 17th.

Members of the Youth Fellowship who will be entering high school this fall, are looking forward to a Mid-Winter World Friendship Meet retreat at the First Christian Church of Harvey Ill. The dates are Feb. 26 - 27; cost will be \$4.50.

ST. JOSEPH MISSION

The Women's Club of St. Joseph's Mission church held its first fund raising event in the new church on Friday, Feb. 5, when a joint bake sale and card party was held. Approximately \$250. was realized from the affair, which was attended by at least 150 people. Mrs. Norman McMullen was chairman of the affair and Mrs. Daniel Fiechert was in charge of tickets.

At the last regular meeting of the Mission Women's club, held on Jan. 26th, Mrs. Ray Champlin, president, introduced chairmen of the various committees. They included: Mrs. Thomas Har-

mon, ways and means; Mrs. R. J. Dezelick, altar and linens; Mrs. Norman Million, refreshments; Mrs. Lawrence Simon, Mary's Volunteers; Mrs. Sheral Sullivan, spiritual development; Mrs. Alois Lewandoski, program; Mrs. Joseph Conlon, telephone; Mrs. James Cronin, historian and publicity, and Mrs. John Honza, vice-president and membership. By-Laws of the newly formed group were read at this time and approved by the 60 women present. Father Joseph Burke was guest speaker, and after the business meeting, Mayor James Nally showed slides of the progress of the Mission from the first mass held in the Willowview school to the Christmas Eve mass held in the new church.

ALTAR BOY INVESTITURE

Five boys from the Catholic Mission in Country Club Hills were part of a group of 40 altar boys who took part in a special ceremony at St. Joseph's Church Homewood, Tuesday evening, Feb. 2. The five boys invested were: John Tibbles, Kenneth Kelly, Anthony Turek, Jr., George Barry, Jr., and George P. Barmik. Highlights of the ceremony was when the presiding priest assisted each boy in donning a surplice. After the ceremony, a social was held in the gymnasium for the boys and their families. The newly invested boys will now be quali-

Boy Scouts Selling Logs For Fireplaces

Boy Scout troop 306 in Tinley Park is one year old now and is growing fast.

When the troop was formed last year, it received fine financial help from the Recreation Commission. With the new growth in the troop, however, more equipment is needed. The boys are going to raise the money themselves, this time by selling firewood to people with fireplaces. The logs are 4 to 8 inches in diameter and will be cut into fireplace lengths. For \$15 a ton,

these hard wood logs will be delivered to the home. For \$2.50 additional the scouts will stack them neatly.

Please call scoutmaster John Daniels, Kellogg 2-3491 or Irvine Ernst, Kellogg 2-3908 to place your order. Also, please state your choice of logs or slabs.

The boys are looking forward to earning their own equipment.

Edison Offers Clothes Dryers On Home Trial

A three-month drive to sell electric clothes dryers on a "satisfaction guaranteed" basis was announced today in this paper by the Commonwealth Edison — Public Service Co., system in cooperation with appliances dealers throughout the utility's 11,000 square mile service area.

Backed by the electric company's money-back guarantee, dealers will offer 60 day home trials of dryers. Twelve brands of 240-volt automatic dryers are covered by the offer, which is available to all residential customers served by the Commonwealth system.

The offer closes April 30.

DANCE

A Valentine dance will be held in Saenger hall, Tinley Park on Saturday Feb. 13, sponsored by St. George Parish. Dancing will start at 8:30 p.m. to a top notch band and continue until the early morning hours. Tickets may be obtained at the door at \$1 each.

Thank You Note
I would like to express my appreciation for the many prayers, flowers, gifts, cards and visits from relatives, friends and children, also a special thanks to Fr. Keup and Sisters of St. Mary's for their visits.

MAURICE P. ANGLAND

The stock market has had a considerable re-adjustment of prices in the past several weeks. A goodly portion of the decline has, however, been in those issues that have had a considerable rise on the basis of their "growth" potential.

A break in prices of one group will usually effect other groups to some extent as holders become jittery or decide to switch their funds into the group that has had the greatest decline.

Reasons assigned for the decline are generally that tightening of credit has made bonds more attractive than stocks on the basis of income return and also that many of the "growth" stocks were priced so high that they were discounting earnings potentials too far ahead. In any period of rising prices, there are always periods of re-adjustments to correct excess enthusiasms. This stock market decline was substantial, but mainly in a limited number of issues.

Banking sources report an easing of credit and the market in government bonds which is highly sensitive to easing of credit, has advanced somewhat. The Federal Reserve desire to control inflationary pressures is difficult to handle. The demand for credit to be used in expanding industrial production, is very large and in the opinion of most bankers, the credit supply the country can have without more inflation. At the same time, the government has large amounts of bonds which must be refinanced.

There is political pressure for greater spending by pressure groups. It is always much more popular, politically, to meet the demands of pressure groups for spending and loosening of credit that it is to keep a tight rein. A number of leading investment services express the opinion that 1960 will be a very good business year. The investment managers of several of the large Mutual Funds express optimism by their investment actions in these funds.

Allen B. Hunter, vice president of One William Street Fund, expressed optimism in the business picture, in a talk given in Chicago about two weeks ago. He pointed out that their fund of \$295 million, is almost 100 per cent invested in common stocks.

Incorporated Investors, another fund whose holdings are usually largely in common stocks, reports that as of the year end, it had only 1.89 per cent of funds uninvested. This fund had total valuation of about \$335 million as of the year end. Eaton and Howard Stock Fund which had 14.06 per cent of its funds in short term notes and governments, as of September 30, 1959 ended the year with 11.91 per cent in these short term investments and about this differential added to its total in common stocks. This fund has total assets of about \$163 million.

Theoretically, a well selected list of common stocks, should reflect, (1) the increase in the economy thru increases in population and standard of living, of about 4 per cent compounded annually, (2) the dividend rate of firms involved, and (3) increase in value as purchasing power of the dollar declines.

From a practical point of view, not all businesses will show the same advances in relation to increases in the economy. Management, being human, will show variations in their abilities to keep abreast of industry development. The rapid rate at which science is changing our industrial patterns, makes this doubly difficult. The rewards to the successful are considerable.

Harold A. Morlock, Sr., an agent in the Highland district office of the Prudential Insurance Company of America, recently celebrated his 25th year with the company. Morlock, who lives at 14432 Highland Ave., Orland Park, began his Prudential career in 1934. He worked as a salesman prior to going into the insurance business.

After a lingering illness, Mrs. Mary A. Hollenbach, nee Mulderink, of 7043 S. Throop st., Chicago, died in her home, Friday, Jan. 29. She was born in Blue Island in October 69 years ago. Surviving are her husband, William G., 2 daughters, Mrs. Dorothy Flynn and Marian Keller, 6 grandchildren, 2 brothers, Francis

and Thomas Mulderink. Mrs. Catherine Koehler and George Mulderink preceded her in death. Funeral services were held Monday, Feb. 1, at St. Brendan's church with 9:30 a.m. Mass. Burial was in St. Mary's cemetery. Mrs. Hollenbach was a cousin to Harry heiting in Orland Park and had relatives in Blue Island and Tinley Park. She was well known in Orland also.

The Martha Circle of the Orland Park Methodist WSCS met in Wesley hall, Tuesday evening, Feb. 2. Mrs. Dave Agate and Mrs. John Loehe had on display hooked rugs they had made and also demonstrated the making of same. Refreshments were served following the program.

Nominates Boys for Appointments

Congressman Edward J. Derwinski (R, 4th Ill.) today announced the nomination of boys to compete for the 4th District appointments to the United States Air Force Academy in Colorado Springs, Colorado. Among the candidates is: Kenneth A. Anderson, 3548 West 163rd Street, Markham, (Bremen Community High).

The procedure followed in Air Force nominations by Congressman Derwinski is to submit a list of the highest qualifiers in a competitive examination to the Air Force authorities, who then conduct an intensive mental and physical examination and select the boy for admittance to the Academy.

Get the quiet proof of Chevrolet's superior performance on the road—No other car in the low-priced three can match the borne-on-the-wind sensation you get from a ride in the 1960 Chevrolet. But that's not surprising when you consider to what lengths Chevy has gone to provide for your comfort at no extra cost to you. As you drive, count the ways Chevrolet has been thoughtful:

Supple Full Coil suspension—Coil springs at all four wheels melt bumps as no other suspension can. Taking the punch out of rough roads is their only function—they don't have to anchor the rear axle.

Butyl rubber body mounts—Thicker, newly designed body mounts further insulate you from the road.

Body by Fisher—Only Chevy in its field offers the polish and craftsmanship of Body by Fisher.

Foam cushioned seats—Chevy offers foam cushioned seats in both front and rear in all series but one.

Safety-Girder frame—X-built and not merely X-braced, the Safety-Girder frame affords greater rigidity to minimize twisting and squeaks.

Hydraulic valve lifters—Oil hushed hydraulic valve lifters reduce engine noise to a whisper.

Cushioned steering shaft—A universal joint and cushioned coupling keep those annoying road tremors from the steering wheel.

Precision balanced wheels and tires—Here again Chevy has shown concern for your comfort by eliminating vibration in this vital area—tire life is longer, too.

Easy steering ratio—Chevy's high ratio Ball Race steering takes the work out of steering for you.

Superior weight distribution—Chevy rides better, handles better and stops better because the car's weight is more equally divided between the front and rear wheels.

Wide choice of power teams—Choose from 24 different power combinations to satisfy the itchiest driving foot—more than any other car.

Now—fast delivery, favorable deals! See your local authorized Chevrolet dealer!

CARD OF THANKS
We wish to extend our sincere thanks to our neighbors and friends for their many acts of kindness shown us during our recent sad bereavement, the death of our sister, Miss Louise Haehnel. We especially wish to thank the Rev. Elmer Dickson for his comforting words and also the pallbearers.
Max, William, Frank Haehnel and Mrs. Ella Russell

IN APPRECIATION
Please accept our sincere appreciation of the thoughtful and neighborly kindness expressed in the illness and passing of our beloved.
The Family of
Anna Marie Seiler

IN MEMORIAM
JUNGLES, WALTER. In loving memory of my husband, who passed away one year ago today.
No one knows the silent heart-aches,
Only those who have lost can tell
Of the grief that is borne in silence
For the one I loved so well.
Surrounded by friends, I am
lonesome,
Amidst my pleasures I am blue,
A smile on my face still a heart-ache,
Aching and longing for you.
Greatly missed by Wife,
Lorraine

CARD OF THANKS
We wish to extend our thanks and appreciation to all our friends and neighbors for their kindness shown us during our recent bereavement, the death of my husband and our father; also for the many beautiful floral offerings, and to those who donated their automobiles. We especially thank the Rev. Julius Gilewski, the Rev. Joseph Szumlas for their comforting words.
Family of the late
Stanley L. Jarzynka

CARD OF THANKS
We would like to express our appreciation to friends, neighbors and relatives for their expression of sympathy during our recent bereavement and illness. Special thanks to Rev. R. L. Plastow for his comforting words and also Miss Sarah Stephens for her singing.
Mrs. Frank Sayers and family
Orland Park

CARD OF THANKS
I would like to extend my sincere thanks to my relatives, neighbors and friends for the many beautiful cards and gifts I received during my recent stay in the hospital.
Mrs. Rena Steck,
Hillside Rd., Lincoln Estates

CARD OF THANKS
We wish to thank the many people who responded with offers for blood donors, also those who visited our son Thomas Slenczyk when he was in the hospital. A special note of thanks to Father Connell.
Alex Uzemack

CARD OF THANKS

Chicago Site For U. of I. Years Away, States Treen

Engineering reports and subsequent discussions on the proposed loop rail terminal site for a University of Illinois campus, clearly indicate years of delay in bringing the needed educational facility to the Chicago area at an extravagant investment of public funds, Karl Treen, a south suburban civic leader, charged today.

Treen is vice president of the Regional Association of South Cook-Will County Municipalities and is chairman of its committee on higher education.

The Association has asked trustees of the University to locate the proposed new campus on a 600-acre site in Bremen Township, six miles southwest of the Chicago city limits.

The site, known as Indian Boundary Ridge, is open farmland and is available immediately at a fraction of the overall costs of clearing and acquiring the downtown rail terminal property.

"Selection of Indian Boundary Ridge," Treen said, "would bring overall economies of \$100 million; would place the campus in a desirable educational environment with space for future expansion; would slice years from the lengthy time schedule associated with the much smaller, but high priced downtown real estate; and would benefit all taxpayers by retaining the latter property productively on the public tax rolls."

Other advantages of the Bremen Township site, outlined by Treen, include: Easy Accessibility—within 30 minutes of 50 per cent of estimated future students; served by two railroads, and a network of highways.

Ideal Housing Opportunities for Faculty members, a factor of extreme importance in attracting and keeping a top-rated faculty.

Rich nearby industrial area, would provide part-time job opportunities for students; permanent positions for graduates; promote financial aid-to-education; and foster cooperative university-industry programs in pure research and in the development of new products, using the scientific facilities and personnel of the university and of industry.

Residential growth of the area insures a constantly expanding number of potential students for the new University.

"The choice before the University Trustees is clear," Treen said. "In Bremen Township, they may proceed immediately to bring a fine University to the Chicago area, and effect significant economies in original investment and maintenance costs. In the Chicago Loop, they face years of legal and physical delays that will deprive thousands of Chicagoland youngsters of an educational opportunity."

Serving with Treen on the Association's higher education committee are Robert Aubach, Sargent and Lundy; E. Layton Flanagan, an architect; Dr. Robert G. Andree, Superintendent of Rich Township High School; D. F. Bond, Allis-Chalmers; F. M. Gillies, chairman, Acme Steel Company; Lynn Brenne, United Air Lines; J. Fred Zimmerman, director of personnel, Sinclair Laboratories; W. G. O'wler, superintendent, American Brake Shoe Company; and State Representative Maurino Rihton, an attorney.

Thomas Edison Born 113 Years Ago On Feb. 11

The anniversary of the birth of Thomas Alva Edison is today, Feb. 11. He was born in 1847.
The inventor, who held 1,093 patents for his inventions, must have been concerned about the lack of good literature for children. Authors of books for children are annually awarded with cash prizes for best books, as are comic book writers and artists by the Thomas Alva Edison Foundation.
Edison's workshop where for 44 years he developed many inventions and technical improvement has been preserved in West Orange, N. J.
The visitors may visit the original buildings and see his library, chemical laboratory, machine shop and store room, also the first motion picture studio, originals or replicas of the phonograph, incandescent lamp, and motion picture camera.

COMMUNITY DAY

A Community Day will be held at Heatherwick Implement Co., Rt. 45, Frankfort on Feb. 13. Should it rain, the event will be held on Feb. 20.
The public is invited to stop in and view demonstrations of farm machinery and implements.
There will be interesting movies shown and refreshments served to all.
